Cincinnati Public Schools

June 28, 2019

Hello Robert A. Taft IT High School Families,

My name is Cear J. Baggett. I am privileged to be your new Principal this Fall and welcome you to the 2019-2020 school year. Hopefully, your summer was filled with relaxation, fun and memorable moments with family and friends. Your child's teacher has been busy preparing for the upcoming school year and they are Fired Up and Ready to Teach! As principal, I feel very honored and privileged to serve in such an exemplary and student centered learning community.

I have a long relationship with Cincinnati Public Schools not only as an Administrator but as a student as well. A proud product of Cincinnati Public Schools, I attended Midway Elementary and College Hill Elementary before graduating from Taft Information Technology High School. My college career was completed at Xavier University where I majored in Education.

Prior to joining the Taft community as the Principal, I served as Assistant Principal for Cincinnati Public Schools, Robert A. Taft Information Technical High School and Gilbert A. Dater high School respectively. I was the Principal of Ethel M. Taylor Academy located in the Cincinnati neighborhood of Millvale. I provided an opportunity to become Principal of Taylor High School in the Three Rivers School District, and now I have come full circle to give back to the institution that provided me a solid foundation to achieve my professional goals.

The mission of Taft IT is to graduate young people who are prepared to meet the challenges of the future through higher education and the world of work. This focus on high quality learning opportunities for every student is a driving force in my professional beliefs.

I am eager to get this year started and we know that 2019-2020 will be a dynamic, exciting and successful year for our Learning Community. As the leader of this unique and innovative community learning center, I am looking forward to partnering with you to support your child.

Thank You for your unwavering support and for allowing us the privilege of educating your child.

The first day of school is Monday, August 19th. 7th Grade Orientation will take place the evening of August 13th, additional details regarding this event will be forthcoming. Our Fall open house is scheduled for Wednesday, September 18th.

Sincerely,
Ceair J. Baggett
Principal, Robert A. Taft IT High School
