

FREE COVID-19 Vaccines

now available
for CPS students
age 12 and older

CPS is proud to partner with the Cincinnati Health Department, Cincinnati Children's Hospital and TriHealth to provide **Pfizer vaccinations** to our students that are 12 years old and older!

When:

Monday, May 24 or
Tuesday, May 25, 2021

The second Pfizer shot will be given the week of June 14th

Where:

On-site at CPS High Schools

Check your email for a brief survey and for future additional details on when your school will be hosting the vaccination pod and how to sign up.
